JULY - AUGUST 2014 PRAYER LETTER

Dear Friends,

Thank you for your faithful prayers. We have greatly enjoyed the ways in which The Lord has put us to work these past two months. Timothy and I had the privilege of attending a camp with a mission's emphasis held by one of our supporting churches, and we had a great time teaching children how missionaries are just ordinary people who serve The Extraordinary God. Timothy was a bit young for the camp, but the other children had no problem adopting him into their ranks and even motioned to make him their team mascot. He was glad to volunteer, and, as always, enjoyed going to the retirement homes, singing out, and giving hugs to any residents who got in his way.

We also spent a good amount of time in our sending church the past two months, preaching, teaching, and serving The Lord in anyway needed. Praise God, we have really seen Him strengthen Lighthouse Baptist Church, drawing us closer to Him and to one another. Lighthouse is overjoyed to be serving The Lord, and everyone is contributing. We rejoice in how God has continued to be Faithful to fulfill His promise as given in Matthew 16:18. Last week, there were 10 new members added to Lighthouse,

one individual was baptized, and one man was added to our pastoral staff. Most of all, we thank The Lord for the excellent spirit to be found here.

The Lord has also continued to bless us and meet our needs. By His Grace, we have been taken up for additional support and are at 83% of our support goal. We are very excited and looking forward to our meetings over the next two months. Our meetings will be taking us to the west coast, and as far as California, Washington, and possibly even Alaska! Kelly is very excited about that, she loves the thought of seeing the northern lights and enjoying God's magnificent Creation.

Please pray for our safety, as we travel many miles the next two months, and for God to use us to be a blessing to the churches that we visit. Please pray that we would have wisdom while preparing for the field. Please also pray for the salvation of Evan's family as we will have time to visit them and witness to them.
