

The Francis Family

Reaching the souls of Taiwan

AUGUST 2015 PRAYER LETTER

Dear Faithful Friends,

The typhoons have come and gone, and we are grateful for the minimal damage around the island. From the news, we know that many outside observers might have expected catastrophic results, but The Lord was very merciful. Super typhoon "Soudelor" flew right into Taiwan's mountain range, redirecting its course and reducing its strength significantly. We did get lots of rain and the air quality seems to have improved much over the past two weeks. We are very grateful that our God is so compassionate and longsuffering toward us.

As for the Bible studies, Alex appears to be coming along very well. He has ceased to doubt The Bible during our studies, having admitted two weeks ago that he knows it is all true. Last week, he mentioned that he would like me to come preach to his Christian fellowship group at school. Please pray for those doors to open, that I would be able to preach The Gospel to his friends. While handing out fliers about a month ago, I met a young mother named "Melody" with a son, "Ray," who is about the same age as Timothy. Every week, Kelly, Timothy, and I walk to a local establishment to teach her while Ray eats and plays with Timothy. Please pray that Melody would submit to The Lord and receive Him in repentance and

faith. Please also pray that her husband would be willing to join us and learn about The Lord.

My Chinese continues to progress, the final exams went well, and I've enrolled into another semester of intensive Chinese. It will definitely get more difficult this semester as the teacher will be teaching exclusively in Chinese. Please pray that The Lord would continue to help me, as I could never learn this language without Him. He has given me an interest in the language, an ear for the language, and a timely memory regarding the characters.

Thank you once again for your prayers, The Lord takes great care of us, and all our needs have been met. Thank you for the encouraging notes, your faithful support, and your burden for others to learn about our wonderful Lord and Saviour.

A servant,

Bro. Evan

Timothy and his friend, Ray.
