Dear Faithful Friends,

Thank you for your prayers this month, God has blessed us so much, and we are sincerely grateful to everyone praying for us. I met "Alex" a little over a year ago, and began conducting Bible studies with him. He made a profession of faith as a young teenager. I know that many who read our prayer letter have prayed for him regularly, and I have seen God grow him, and help him exceedingly over the past several months. To the glory and praise of Jesus Christ, on this morning, August 28<sup>th</sup>, 2016, Alex was baptized in the Xin-Dian River.

In order to find a suitable destination for baptism, we travelled about an hour away to the southern part of Taipei. Attending Alex's Baptism, was "Jimmy," "Dephanie," "Sasha," "Brian," and my family. While we sang hymns, held a service, and prepared for the baptism, we had several witnesses and even someone filming the events with their cell phone. I'm very grateful for how The Lord displayed His work. The morning of the baptism, we experienced possibly the best weather all month, and shortly after the baptism that great weather ended abruptly with a downpour. Praise God, that He is sovereign over all creation.

For some time, the church has been praying and considering finding a place to meet other than our home. It is not easy to find a suitable place for the ministry, but we believe that if it were The Lord's will He would provide a place. Just within the last two weeks, an opportunity has come across, and we all were able to go look at the facility after the baptism this morning. Everyone seems pleased with the potential of this facility. It has also given me the opportunity to teach more on stewardship, tithes, and offerings. The understanding and acceptance of the church so far has been of great encouragement to me. Please pray for God's will to be done.

I'd also ask you to pray for others who have joined our Bible studies, and who The Lord is convicting and convincing. Please pray for "Sharon," "Alice," "Apple," and "Elise." Please pray for "George," whose health has been a recurring issue, but his spiritual condition is of greater concern. Thank you for praying for Kelly and Timothy, they are both well, as God protected them from the summer-time virus going around lately. Thank you for praying for me. Please pray that I'd be able to reach more people, and teach more profitably. This has been a month of many ups and down, but The Lord has concluded it in such wonderful fashion. We are so happy to be a part of this wonderful work.

We love you, and are grateful for you.

A servant,

Evan
