Dear Faithful Friends,

Thank you for your prayers for us last month. It has been a productive month, and we thank the Lord for His help. First, I wanted to thank you for praying for my Chinese exam, which I passed last month and am now pursuing language study which contributes to my ability to reason with others in Chinese. I believe that I am about two semesters away from concluding formal study.

Last month, we thoroughly enjoyed a visit from our Pastor and his wife. Pastor and Sister Byler came for about two weeks, and their visit was of great encouragement to us. We appreciate our sending church giving us the opportunity to see them again and give them a whirlwind tour of the ministry here. We know that it will help our sending church to pray for us, and to understand the obstacles and challenges of the ministry here in Taiwan. Thank you Lighthouse, we love you! On the heels of our Pastor's visit, we dove headfirst into Chinese New Year. This Chinese New Year was a difficult time for us, as my wife's father has spent much of the past month in the hospital. We have been spending much time helping our family and caring for them. We thank The Lord that He has enabled us to be here for this time. Please pray for my wife's father, as he has not received The Lord.

Alex and Kevin are well, I spend about three hours with them every week, and they continue to learn and grow. This is an excellent time to invest in them, as their school obligations have slowed down a bit, and they are able to focus more on spiritual matters. Please pray for Kevin's mother Grace, as she had a fall and injured her back. Praise The Lord, her recovery has been going well. Dephane and Michelle are still attending services and Bible studies. Please pray for Michelle's family, particularly her father, whom she is very burdened for.

Thank you also for praying for my family, Kelly is doing very well despite the challenges she's faced with her family as God has given her wisdom when helping them. We have recently begun helping her niece with her studies, please pray that this would provide an inroad to the family to discuss spiritual matters. Timothy is a tough little guy, and when he comes down with a fever, he sleeps all day, and gets over it the next day. We thank The Lord for his resilience, and thank you for your prayers. Please pray for him as he is now at the age where he is asking questions about spiritual things and is able to understand many things we have taught. Most of all, thank you for praying for our protection, wisdom, and evangelism here in Taiwan. We thank The Lord for you.

A servant,
Bro. Evan
