Reaching the souls of Taiwan

J U N E - J U L Y 2 0 1 3 P R A Y E R L E T T E R

Thank you so much for praying for us! God has helped me to schedule many meetings over the course of the last month.

This last month has been exhilarating. We have enjoyed two Missions Conferences, and had the opportunity to serve at our sending church during a time of special need. It was amazing how we did not have to miss one meeting to do so, God had planned everything perfectly. One Missions Conference we attended last month included a Bible Camp for children during the day with an emphasis on Missions. Praise The Lord, many young people made decisions throughout the week to commit themselves to Christ for service. When a young boy comes up to you before your presentation, and tells you that he has been praying for you, it really warms your heart. We were voted on for support, and received an entire year's support that evening. Praise The Lord!

During another meeting, a woman came up to us, thanked us for the presentation, and told us how she'd be willing to go wherever God wanted her to go. When the Pastor asked the congregation if The Lord called them would they be willing go, nearly everyone raised their hands! We were

so impressed by the burden that God had placed on the hearts of that congregation for the souls of others.

We have made many new friends, and have really enjoyed the fellowship and the encouragement we have received. We are so glad to be taking meetings as we have learned something new from virtually every church we have visited.

Please pray with us that we will be able to reach our goal of 40% support by the end of October. Several churches have stated that they'd like to support us, please pray that their faith promise will be increased. Please continue to keep us in your prayers as we continue scheduling meetings and traveling.
