Dear Faithful Friends,

Thank you for your prayers this past month. We have some good news this month, in that we have added another Bible student. Her name is Michelle, and she has a testimony of having received Christ seven years ago, and had been looking for a church since moving back to Taipei in April. She has not had much discipleship, but I believe that she is born-again, as her understanding of The Lord, and her manner of living suggests it. We know that The Lord will make it evident as we continue with the lessons. We have had several lessons with her already, and she shows an earnest interest in the word of God. Thank you for praying.

As for the other students, they are doing well. Dephanie continues to be faithful to join us for Sunday services, and for Bible study. In addition to never missing services, she also is faithful to meet my wife for Bible study every week. She is obviously growing, and The Lord has blessed her for decisions that she has made. Thank you for praying.

Alex is on vacation in the south pacific. He is touring several countries during his summer break with friends he met through a Christian fellowship at school. He also has made good decisions this past year, and I'd ask that you pray for his safety, as he will be returning mid-August.

Please pray for Jimmy, as he continues to struggle. This past year has been very hard for him. It really all began when he contributed to the problems in our young congregation early this year. From then on, he has been experiencing problems. I'm very concerned for him and his spiritual state. He does not respond to problems well, and when trials come he seems to make things worse. I hope to further draw his attention to this, and his need to repent. We've been meeting every now and then, but if he doesn't like what I have to say, I can usually expect a long time to pass before we meet again. Once again, please pray for him.

Please also pray for Kelly's father, he is back in the hospital with heart failure last week. Kelly has had the opportunity to witness to him over the last month, and he was listening without objection, so we are very grateful for your prayers. Please pray that he would recover in health, and be able to come back home. Please also pray for her mother and younger brothers, as we also had an opportunity to discuss spiritual things with them.

Please continue praying for our evangelistic outreach, and for more opportunities to teach the word of God. Please pray for my study of the language. Please also pray for our health, safety, and for Taiwan.

Thank you.

A servant,
Bro. Evan
