Dear Faithful Friends,

Thank you for praying for us this last month. There has been much development. Jimmy's discipleship has been going well, though there have been many attacks. Please pray for him, he is facing extremely important decisions, and we are praying that his decisions would glorify The Lord. Jimmy has been a great help and encouragement to me. I am now teaching the Bible to an additional six students through his efforts. We also have several more attending church services. Jimmy invited his friend Dephane, who invited her friend Sasha, who is bringing her teenage son Brian. Though they all have professions of faith, there are some in need of being baptized, and all are in need of examination and discipleship.

Thank you for praying for Alex, he made a wonderful decision regarding the university that he would attend. At first he was accepted into a university about an hour away, but later chose to attend the university here in Taipei. So, he will be closer to us, and able to attend services. Though, there are more decisions to be made, his decision regarding school was very encouraging to me. Thank you for praying for George, his studies are going well, and I have seen tremendous progress just within the last couple of weeks. I pray that this progress would continue and result in Salvation. Please also pray for Joyce, Elise, Victor, Kuo-Chen, Sharon, and Alice. Their souls are precious to The Lord, and I thank The Lord for every one of them.

The Lord builds His church. I am humbled and grateful to be able to give witness of how wonderful and powerful He is. Moreover, I'm overjoyed that others have observed His Grace in their lives. Praise The Lord! This month, I'd ask that you also pray for our sending church, Lighthouse Baptist Church, as they are currently going through the process of transferring pastoral responsibility and authority. Please pray for their protection and guidance during this time.

Thank you for praying for my family. They are well. We have become a bit of nutritional experts over the past month, in an attempt to become better stewards of our own bodies. Please pray for us to stay healthy. Please also pray for my Chinese language study. Chinese Bible terms and modern social terms are very different, and both must be studied thoroughly. Please pray for The Lord to help me organize my time. There are some things which require my attention, whereas other things have proved to be distractions. The devil is always looking for opportunities to attack, and we are not ignorant of his devices. Thank you for praying for our safety, for wisdom, and for the souls which God has gathered here for His Glory.
