Reaching the souls of Taiwan

OCTOBER - NOVEMBER 2013 PRAYER LETTER

The Lord is so good! His blessings and encouragement always come in time of need. His strength is made perfect in weakness.

Very recently there was an urgent need raised in our church, and our presence was required. To help meet this need we cancelled the rest of our meetings for the month of November in order to better support the assembly. We often hear about the church's responsibility to support their missionaries, but we do not hear about the missionary's responsibility to support their church nearly enough. We thank God for those churches, whose meetings we had to cancel, for understanding our situation and being willing to reschedule.

Despite the lost meetings, the Lord has blessed us. We had safe travel wherever we've gone, great encouragement from the saints of the assemblies, and tremendous meetings and missions conferences in the month of October. We enjoyed them very much! We have even received word of how The Lord might be

burdening others for the Taiwanese people. Please continue to pray that we would receive co-laborers who would be in "lock-step" with us in both doctrine and practice.

Thank you so much for praying. God proved Himself faithful. We have not only reached our goal of 40% by the end of October, but have gone beyond that. By the Grace of God, as of the date of this prayer letter we are at 54% of our support! We really appreciate all the blessings and kindness that has been showered upon us during our meetings. We also are very grateful for the saints' sacrificial giving and their love for the Lord and for the lost.

We look forward to reporting on the work again next month when we continue with our deputation, and thank The Lord for opening the door to share this ministry with others. To Him be all Glory and Praise.
