*Reaching the souls of Taiwan*

## OCTOBER 2016 PRAYER LETTER

Dear Faithful Friends,

Thank you for your prayers. At the end of September The Lord blessed us with a more suitable place for meetings. This facility better meets our needs, is a convenient location for everyone who attends regularly, and fits within the congregation's budget. The land-lady even reduced the rent for us before we negotiated! There is one large room which we use for services, but also smaller rooms for men's and ladies' Bible studies.

### *Praises*

- Praise The Lord for the increased study of God's word.
- Praise The Lord for the growth of the students.
- Praise The Lord for the opportunities to teach.
- Praise The Lord for His provision of a facility

### *Prayer Requests*

- Please pray for opportunities to reach the people.
- Please pray for The Lord's help when teaching.
- Please pray for my study of the Chinese language.
- Please pray for God's protection, and for our health.

On Sunday before the morning service, we have "ladies' Bible study", followed by the Sunday service, afterwards, we go to lunch together. I teach the men's Bible study in the afternoon. If the study ends early, we go out to the park and try to reach the people. Please pray for Kelly as she gives the ladies a discipleship course, and has had a couple more opportunities to teach the Bible to women within the community.

Thank you for praying for Jimmy, and Alex. I have seen change in both of them since we began the "men's Bible study" on Sunday afternoons.

In addition to Sundays, we are holding Tuesday night Bible studies at the facility as well, and we currently have about 6 people coming. Another "Joyce" has joined us on Tuesday evenings, and Alice has been trying to bring her little brother "Jonah." Please pray for "Jonah," he visited once, and seemed interested in the lesson. Since then, he has expressed interest to Alice about coming back but has been hindered several times at the last minute.

Please pray for the Taiwanese, evangelism has become seemingly more difficult over the past two months. People have become fairly indifferent and distracted. This world seems to be changing more and more rapidly, and we pray for more opportunities to reach the people before it is too late.

Thank you for praying for my family, praise God we are all in good health. We appreciate your fellowship and compassion for the souls of the Taiwanese, and thank you for your faithfulness to reach our own nation with the Gospel. We love you.

A servant,  
Bro. Evan
