Reaching the souls of Taiwan

AUGUST - SEPTEMBER 2013 PRAYER LETTER

September 7th was a joyful day for us as well as for our sending church. Evan was ordained on 9/7/2013 at Lighthouse Baptist Church, in Wake Forest, NC. We were so blessed to have two congregations in attendance, and witness several men of God who had participated in training Evan lay hands on him.

This has been a milestone event for us at Lighthouse, having adopted a scriptural form of discipleship, and having witnessed God's blessing the way that we have. We are sincerely thankful to the men who have availed themselves so that we might be properly equipped to go and make disciples of Christ among the Taiwanese people.

Following the ordination service was a week-long revival conference at our sending church as we celebrated our church's 7th anniversary. That same week another church that we have close fellowship with was holding their revival conference. At the end of the week we combined the two conferences together and enjoyed two tremendous messages back to back. We know of at least one young person who made a profession and was later baptized the same month! We also enjoyed several other meetings, with

a young lady professing to receive Christ during a Sunday morning service, and many others making the decision to follow Christ's leading in their lives.

We also praise The Lord for the substantial increase in support that we've received. Our goal of having 40% by the end of October is now within reach. We thank The Lord for helping us raise so much support with relatively few supporting churches, simply as we try to be faithful to follow His leading in fellowship.

I have been highly encouraged by the attention given to this ministry recently, and by the meetings we've been able to schedule. We've enjoyed meeting several more congregations who appear to stand for God's Word as we do, and we're humbled by how He continues to form this fellowship honoring Him.

We will be traveling many miles next month, and appreciate your prayers for our safety. Please ask God to use me in a way to effectively communicate His desire to rescue others from eternal punishment, as well as how He is using us to reach the Taiwanese. Thank you and Lord Bless you.
