Dear Faithful Friends,

Thank you so much for your prayers for us, we have had a very eventful month, and are grateful for the recent developments.

About six months ago, I had the opportunity to invite a young man named Kevin and his mother, Grace, to our Bible studies. Though, they did not come at that time, Alex happens to be friends with Kevin as they met each other at the university. About a month ago, Alex was at Kevin's house, and he began telling Kevin and his mother about the Bible studies that we have together. Kevin and Grace decided to come, and we have been teaching them for several weeks. They are both very good students, have testimonies of salvation, and have been moving quickly through our Bible study. Please pray that as they learn that they will continue receiving the things that we teach them, particularly regarding the local church.

Thank you for praying for Michelle, it was not easy for her to begin attending our church services, as there were members of her own family hindering her. However, she has not let that stop her, and has even begun bringing a friend named "Albert" to our services. Please pray for him, and for Michelle, that The Lord would reveal and meet the spiritual needs that they have. We have enjoyed their company the past two weeks, and have found time to spend with them and discuss spiritual things.

Thank you for praying for Alex, and Dephane, they are both doing well. Alex is also doing well in school, though very busy. Please pray that The Lord would continue to protect them, and help them grow.

Thank you for praying for Kelly's family, her father's health has much better recently, and we have been able to spend more time with them. Kelly has also had more opportunity to witness to her father recently for which we are very grateful. Please pray for The Holy Spirit to convict him further, and for him to understand his spiritual need of Christ.

This has been a hot summer, the hottest on record for Taipei in the past 120 years. There have been many health issues ensuing from this heat. However, The Lord sustains all things, and we are grateful for his kindness and patience upon the Taiwanese. Thank you for continuing in prayer for them, and for us.
